

Beech Timber Grade A - Long Boards

Available as FSC® 100% certified timber and/or NON-certified timber.

Grade A is our highest grade. Pieces from this grade have an uniform appearance, free of knots or red heart, the beauty of the beech wood being fully revealed.

Details on quality:

- 4 faces clear : no red heart, no knots.
 - 3 faces clear: sound red heart track, one sound and not-penetrating knot on one face or edge.
- Notice: boards in 3FC grade are allowed in about 10% from whole quantity, both qualities on same pallet.

- ▶ Thick : 25, 38, 50, 60 mm
- ▶ Widths: 10 cm and more
- ▶ Lengths: 2,10 m – 4,00 m
- ▶ Moisture content: 10±2%

Use destinations:

- Long lengths furniture components
- Continuous lamella solid wood panels
- Doors and windows
- Interior decorations
